EARLY YEARS FUNDING

22hrs Funded

With increases to Early Years Funding for children from 9mths. If you would like your child to increase their hours or days to use more of your eligible funding please let Andrea know as soon as possible so as to not miss out. If you haven't already applied for funding please go on https://beststartinlife.gov.uk before 31st August.

Have you heard?.....

Previously at Sunshine we took rising 2 year olds, but with the recent change to Early Years Government funding and a huge influx of enquiries at our other settings for younger children, more working parents can now access funded childcare for younger children.
With this in mind we're delighted to announce that from this September we will be welcoming children from 12 months old. Expanding our provision allows us to offer families greater choice and gives children the opportunity to begin their Sunshine journey with us even sooner.
If you know of anyone that may be looking for a space for their little one or older one for now or in the future please point them in our direction, these spaces are limited and if they start on your recommendation we will send you a gift voucher as a thank you.

It comes to that time of year that we all dread…
'Our Leavers Goodbyes'.
Our last week together is week ending 28th August.
On behalf of the team can I thank you all for your lovely cards, messages and gifts. We will miss you all and especially our little 'Sunbeams' but we know that they are ready to start their next adventures at 'big' school.
Good Luck to Ellsie, Grayson, Nico, Vienna, Maya, Darcie, Thea, Logan, Toby, Maks, Natalia, Olivia, Leo, Riley.

AND AFTER OUR SAD GOODBYES
WE SAY A BIG SUNNY HELLO…..

We look forward to welcoming some new little faces to Sunshine; Alf, Jude, Kobi & Sollie who are all joining us this Autumn. We hope that they will enjoy their time with us. Hopefully we will have discussed settling in sessions with you or will be very shortly. If any days or times are not suitable please let Andrea know so she can rearrange them for you.

It's beginning to show!…..

Congratulations to our Holly & Liam who are expecting their 4th little bundle of joy at the end of November.
After 3 boys this one is going to be…..Pink!

We can't wait for baby cuddles!

We are very proud to have recently received our Sun Safe Accreditation alongside all our other Coastal Childcare settings.
We will have on display daily at the door the UV index level and continue to ensure all children are adequately protected from the sun and carry on teaching the children the importance of sun safety.
