### A Bit Of Forward Thinking!!...

**Do you know that since the changes to Early Years Funding we now take children from 'Rising 2's' at Sunshine?**
So if you know anyone that will be looking for a setting for their little one when they reach 18 months, or they are looking for an earlier childcare place for their baby please tell them it is never too early to start looking around to book their place with us. We can also share funding across settings and childminders so parents have plenty of options available to them. And as a bonus to you if they join Sunshine on your recommendation, we will give **you a £25 gift voucher** when they start as a thank you.

**A huge thank you to those that have already been recommending us to friends and family we love watching our Sunshine Family Grow!**

## Cold & Wet Weather

**Thank you for ensuring that your child has a coat and suitable footwear for playing outside at Sunshine, but could we also ask that you make sure they are suitably dressed for inside too. We do have free-flow play so the back door is open throughout the day and the main room can become a little chilly. We are having to find jumpers out from lost property to put on children. It is easier taking layers off than making them keep coats on inside. Thank you.**

**DON'T FORGET.....**

If you haven't applied for your child's school place for **September 2026** the closing date for application is **15th JANUARY.** You will find out in April which school placement you have.
